

What is a Library Friend?

Friends of the Fairview Heights Public Library are people who understand and support the important role that libraries play in the building our 21st century communities

Friends are convinced of the importance of a well-equipped, up-to-date, and well-staffed library.

Friends believe in the value of reading and the importance of the availability of information to people of all ages.

Friends aid in developing public awareness of the library and make its resources better known to the community at large

What Does a Friend Do?

Friends meet four times a year: on the 4th Friday of January, April, July, and October at 1 pm in the Library Business.

Friends sponsor the annual library used book sale held in the spring.

Friends host a monthly Book Club, which meets on the 3rd Tuesday of the month.
